ALLOWANCE

This action is in response to Applicant's arguments and the terminal disclaimer filed on 1/13/2011. Applicant presents claims 1, 5-10, 14-19, 23-28, and 32-36 for further examination.

I. TERMINAL DISCLAIMER

The terminal disclaimer filed on 1/13/2011 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,662,225, 7,131,070, 7,743,133, and 7,533,344 has been reviewed and is accepted. The terminal disclaimer has been recorded.

II. ALLOWABLE SUBJECT MATTER

Claims 1, 5-10, 14-19, 23-28, and 32-36 are allowed.

The following is an examiner's statement of reasons for allowance:

After the Board decision on 9/23/2010, Applicant amended the independent claims replacing the term "operations" with "buttons." This amendment was significant because the term "buttons" is interpreted as a physical component whereas the prior term "operations" did not require such an interpretation.

Amending the limitations to recite, for example, monitoring sequence, timing, and frequency of selecting a plurality of buttons overcame the prior art Miyachi and Weiler that was upheld in the Board decision because those references discussed monitoring different operations such as copying and not physical button presses. The examiner conducted a new search of the

Art Unit: 2452

prior art but could not find any art that taught or suggested the monitoring step as directed to physical buttons.

Moreover, the prior art does not disclose the specific combination of steps and features now present in the independent claims. For at least this reason, the claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

III. CONCLUSION

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DOHM CHANKONG whose telephone number is (571)272-3942. The examiner can normally be reached on Monday to Friday [10 am - 6 pm].

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thu Nguyen can be reached on (571)272-6967. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
